

```

Setting master clock rate selection to 'automatic'.
Asking for clock rate 32.000000 MHz...
Actually got clock rate 32.000000 MHz.
Performing timer loopback test... pass
Performing timer loopback test... pass
Using Volk machine: avx2_64_mmx_orc
0000000000000000
>>> Done

```
